DRIVE IN MOVIE NIGHT Thu 18

**BUILDING UPDATE**

As mentioned earlier, the new building being constructed by ARC3 will be the same as originally planned by our architects. The images in today's newsletter give a clear indication of what the final facility will look like.

We have saved the old KG school sign from the bus shelter that was demolished earlier this week so we can reinstall it as part of the new development.

**DRIVE-IN – THURSDAY 18TH APRIL 'WONKA'**

The children have voted for the film 'Wonka' to be screened at our Drive-in next term. The children's excitement is building as we near the end of term. We are keen to see if the new timeslot is a better option for future years.

Please take a moment to read through the Fundraising messages included in our weekly newsletters. We do rely on the support of our parent community to complete all the tasks which contribute to making this our biggest annual fundraising event.

**WEBSITE**

Our school website is regularly being updated so if you haven't used it recently, please check it out. We value parent feedback so if you feel there is any additional information we could use to improve the website please let us know.

**TERM TWO DANCE PROGRAM**

The whole school dance program will take place next term, culminating in a whole school community dance session on Monday June 3rd at 9:15am. Parents are always welcome so practices your best dance moves and be ready to join in with our children.

**LAST DAY OF TERM**

Please note that the last day of term will be a normal school day, ending at 3:20pm.

Thanks  
Laurie Murray

**FUNDRAISING UPDATE**

**Hot Cross Bun- Special Morning Tea**

This Friday 22 March is the last day to put in your orders for the special morning tea which will be on 26 March. Place orders and pay through XUNO.

**Drive In Movie Night**

Please bring in any hamper donations and leave at the office by end of term.

- P-2 Pamper/Self Care items
- 3-6 Foodie wine/dine items

Let us know if you have any sponsorship/advertising or silent auction donation contacts!

**PARENT HELPERS ON THE DRIVE IN MOVIE NIGHT**

We need many parent helpers to make the night a success!

Sign up to help run some of the stalls on the night as well as set up and pack down- this involves serving food/drinks, supervising grade 5/6 stall, and taking payment (cash and eftpos). EASY!

We want to ensure that no one gets stuck working the stalls for hours and that everyone can enjoy the night. The more volunteers we have the less time people have to spend volunteering at the stalls. Get a group of friends together and sign up for the same time/stall!

Please click on the following web link (or copy it into your web browser if clicking doesn't work) to go to the signup sheet- you will be able to see the tasks, times and who else has signed up to volunteer at that time:

[volunteersignup.org/EYWKR](http://volunteersignup.org/EYWKR)

To sign up, just follow the instructions on the page. It only takes a few seconds to do.

Thank you for volunteering!

## ST JOHNS AMBULANCE VISIT

Today, Renee and the team from St John's Ambulance visited our school to teach students about first aid. It was a fantastic learning opportunity for everyone. The presentation covered topics such as defibrillators, their usage, the recovery position, and emergency procedures.

### WHAT THE STUDENTS THOUGHT:

- I've never done CPR on a dummy, so it was great to learn how to do CPR.
- I learnt how to press the dummy and remembered what to do in an emergency.
- It was great to have a refresher on the safety dab.
- It refreshed my mind on some of what to do and expanded my knowledge.

Thank you St John's Ambulance!
