Hi Everyone,

'GREAT COMMUNITY RAFFLE' FUNDRAISER

The eldest children in each family have been given a book of tickets to sell. All profits are going towards our new play surface so we hope to get as many tickets sold as possible. Remember we need to account for all tickets so please return any unsold tickets.

ELTHAM WILDCATS

The Eltham Wildcats are running a number of Holiday Camps during the July School Holidays for kids of all abilities and ages. The Wildcats have supported us in recent years through their free basketball clinics for our grade 3 to 6 Hooptime basketball teams.

More holiday program information can be found at: <http://elthamwildcats.com.au/holiday-camps/>

'THE GREATEST SHOW' CONCERT TICKETS ON SALE NEXT TERM

In recent years we have had enough seats available for extended family and friends to attend. This year we are a larger school so we may have to limit tickets to ensure every family can have at least three family members attend. To allow us to plan we ask that all families fill in the attached form with today's newsletter and return it to the office before

Friday 19th July. Please remember that at this stage, we will only be able to guarantee three seats per family, however depending on the number of families who only need one or two seats, it may be possible to meet requests for additional tickets. Once we know how many tickets parents want we will be able to seat families together and establish how many tickets we can offer.

Concert tickets will be on sale from week two next term on Monday 22nd July. Tickets will be \$25 for adults and \$10 for children 15 and under. Payment can be made by credit card over the phone or directly at the office.

This is not a fundraising event and we only budget to cover the cost of putting on the concert and hiring the Plenty Ranges venue.

A DVD of the concert will be available.

2:30 DISMISSAL LAST DAY OF TERM

Parents are reminded that students will be dismissed at 2:30pm tomorrow, Friday 28th June. After school care is available for those who need it.

Thanks,
Laurie Murray

FAMILY FRIENDLY DANCE SESSIONS EVERY SCHOOL HOLIDAYS!

No Lights No Lycra Hurstbridge (Hurstbridge Hall 7.30-8.30)

No need to book - \$5 per person (children under three free)

Bring your family or come on your own and dance to an awesome selection of family friendly music - pop, rock, swing, funk, disco!

The hall will be a bit lighter on school holidays so that parents can supervise their children, but will still be dark enough to lose your inhibitions and enjoy some quality dancing time!

For more details follow No Lights No Lycra Hurstbridge on facebook (or speak to Rebecca Landy).

NLNL runs every Thursday throughout the year, same time, same place.

During term time the hall is darker, the music won't always suit children and the cost is \$10 full/\$8 Conc

BEING A GRANDPARENT

A number of studies have shown that children who spend considerable time with their grandparents have healthy self-esteem and do well in social situations. They provide unconditional love and complete acceptance.

Parents also have vital allies in the child-rearing process, in their own parents. Baby-sitter, bragger and someone to preserve family traditions and history, grandparents are unheralded but vital in the parenting process.

Finding your role

One size doesn't fit all when it comes to being a grandparent. Unlike parenting, your role is undefined.

Here are some common grand parenting types. What type are you?

Surrogate parent raising your children's children either full-time or part-time. You have to be the disciplinarian and do much of the hard child-rearing work that parents traditionally do.

Spoiler grandparent who has all the fun and little of the responsibility that comes with being a parent. You get take your grandkids on great trips, and look after them overnight but enjoy the luxury of handing them back to their parents.

Working grandparent who still has a busy schedule but enjoys making time for your grandkids. You'd love to have your grandkids over more, but your life is busy and you have to fit kids around your schedule.

Globetrotting grandparent who is either on a trip or busy planning your next trip around Australia or overseas. Skype, Facebook and Facetime are your best communication friends.

Forever young grandparent who just loves to keep up with what's happening in your grandchildren's lives, using Facebook or any other way that will keep you up-to-date.

The concept of grandparenting is constantly being reinvented to fit the changing circumstances of your life and your family.

Whatever grandparent type you are, you're very special in your grandchildren's eyes. And children are extremely lucky to have grandparents who are close, loving and understanding.

Things have changed since you were a parent

There's no doubt kids are very different today than they were even ten years ago. They are a little more indulged and can have a sense of entitlement that wasn't common in past generations.

Child-rearing, discipline and schools have also changed dramatically as well, which can leave you scratching your head at times. The developmental stages of childhood and adolescence are constantly being blurred, so your grandkids tend to grow up quicker than kids of past generations.
