FROM THE PRINCIPAL

Hi Everyone,

BACON AND EGG BREAKFAST

Despite the cool weather, last week's bacon and egg breakfast was our biggest yet. Thanks to Lani and all those helpers who stepped up on the day. As attendance grows at these mornings, we will need additional helpers to ensure there are no long waits in lines so please consider helping out for our next event.

MATTHEW GUY VISIT TOMORROW

At 9:00am tomorrow morning we will be holding a special whole school assembly for the Member for Eildon, Cindy McLeish and the State Opposition Leader, Matthew Guy. The assembly will run for approximately thirty minutes and afterwards we will have the opportunity to discuss the replacement of our main office building. Our building was originally named for replacement in 2008 so we hope to be included in the next State budget, whichever government may be in office!

'GREAT COMMUNITY RAFFLE' FUNDRAISER

The eldest children in each family have been given a book of tickets to sell. All profits are going towards our new play surface so we hope to get as many tickets sold as possible. Remember we need to account for all tickets so please return any unsold tickets.

ELTHAM WILDCATS

The Eltham Wildcats are running a number of Holiday Camps during the July School Holidays for kids of all abilities and ages. The Wildcats have supported us in

recent years through their free basketball clinics for our grade 3 to 6 Hooptime basketball teams.

More holiday program information can be found at: <http://elthamwildcats.com.au/3x3-winter-slam/>.

OUT OF SCHOOL HOURS CARE

It is really important for families using OSHC to do a Centrelink Child Care Assessment now, if you have not already.

You can do your assessment through myGov using your Centrelink online account. Or, through the Express Plus Centrelink mobile app.

This is important, because if you don't do your assessment, your child care fee assistance may be disrupted and/or you may have to pay full fees.

Please do this as soon as possible. To find out more, visit education.gov.au/childcare or watch this short video: [youtube.com/watch?v=8q6sTeqWkcY](https://www.youtube.com/watch?v=8q6sTeqWkcY).

2:30 DISMISSAL TOMORROW

Parents are reminded that students will be dismissed at 2:30pm tomorrow, Friday 29th June. After school care is available for those who need it.

Thanks,

Laurie Murray

GET COLLECTING YOUR SILVER CENTS...

Throughout term three bring your silver cent coins to school and add them to the special Bendigo Bank Collection Box in your classroom.

The class that collects THE MOST silver coins throughout the term WINS A SPECIAL LUNCH the last week of term.

Bendigo Bank have jumped onboard and will provide each classroom with a special collection box. Simply add your silver cent coins and watch it fill up. On the last Monday of term (17 September), a few of the wonderful staff from Bendigo Band will come in to school and help count up each class's collection. Mr Murray will then announce the WINNERS of the SPECIAL LUNCH at Assembly, and let you know how much we've raised in total.

Remember, all money raised will go towards the new playground surface.

Leader Awards

This year we introduced the Leader's Award. We Leaders have heard there has been some confusion regarding what the Leader's Award is about. So what we do is look out in the yard for kids who are showing signs of leadership, in ways of showing our school values: respect, excellence, community, curiosity, acceptance and resilience. After that we discuss who has shown leadership, and then we present an award to that child.

Yours sincerely,

The School Leaders

Environmental leader award!

For the parents and students that don't know what the Environmental Award is, it is an award that the Environmental Leaders give to a different student each week who the leaders see as being a good environmental leader by putting theirs, and other peoples' rubbish in the bin, watering the plants and making sure their peers are doing the right thing for our environment as well. If you are still not sure why we do the Environmental Award, it is to make sure that all the students take care of our school and our community, to make a better world and a better future for the next generations.

Sincerely,

Your Environmental Leaders

BUS TIMETABLE INFORMATION FROM DIAMOND VALLEY COLLEGE

Just a reminder that Diamond Valley college will be finishing at 2.10pm this **Friday 29 June**. Buses will run to this timetable.

School will recommence on Monday 16 July with buses resuming normal timetables.

Friday 20 July will be a curriculum day at the College, as such students will not be in attendance, and buses will not run.

At this stage **Thursday 6 September** will be Parent / Teacher interviews for Years 7 -11, students need only attend for their interview. Buses will run in the morning only for Year 12 students attending their practice exam, they will need to make their own way home.

Group Keyboard Lessons

I have some young people in the Grade Prep/1 area that are keen to begin music lessons. I am able to start a new keyboard group some time in Term 3 and there are vacancies. The aim of this course is to develop musical skills through the keyboard, encourage children to enjoy music and to develop creative and performance skills.

If you are interested and need to know more about these lessons please contact me on 0418 359 409 - Joyce Harvey

Creative Yoga for Kids

Hello and welcome to Creative Yoga for Kids. My name is Wendy Dixon from *Eternal Energy Yoga*.

My vision is to empower children with the practice of yoga. This will enable them to become more balanced, kind and respectful children whose lives are enhanced through their ability to make more conscious decisions.

I was inspired by Edna Reinhardt, Director of *Over the Moon* studio, who has been teaching yoga to children in Victoria for over 40 years.

My program is creative, fun and engaging. By teaching both active and passive yoga postures, breathing techniques and creative dancing, the program harnesses children's imagination to create focus in their daily lives. Yoga postures allow children to connect with their mind and body to create a positive relationship with themselves and improve their confidence.
