### DON'T FORGET SCHOOL PHOTO DAY NEXT MONDAY 8TH MAY

Please take note that our school Photo Day will be next Monday 8th May. Please be on time as classes are set to have their class photos taken. We do encourage all children to be in school uniform for this day. Envelopes were sent home today so please check with your child.

### BUILDING PROJECT UPDATE

As you may know, from the 2020-21 State Budget and in 2022, our school received \$4.7655 million to demolish Block A and replace it with a new administration and learning building, including landscaping.

Due to unforeseen circumstances, it is possible that the project's completion date may be delayed due to the head contractor entering voluntary administration on 2 May 2023. The administrator will secure and maintain the project site while the next steps are being determined.

I am working closely with Victorian School Building Authority to work through the next steps and look towards re-mobilising the project.

I have been assured by the VSBA that our project will be completed and that the scope and will not be compromised in any way.

I appreciate your patience and I will update you once further information is known.

More information

If you have any questions about these works, you can contact the VSBA by phone at 1800 896 950, email [vsba@education.vic.gov.au](mailto:vsba@education.vic.gov.au) or visit their website: <https://www.schoolbuildings.vic.gov.au/>

### MOTHERS DAY STALL NEXT WEEK

Our Mother's Day stalls will run next week on Thursday 11/05 and Friday 12/05 during the morning at school. On Thursday, children will visit in their classroom groups at school and have the opportunity to pick out one gift for mum. The cost of these items is between \$3-\$10.

On Friday children who missed out or wish to purchase an additional gift for another family member, grandma, etc can do so then.

### KG CFA COMMUNITY DAY

The KG CFA have always been great supporters of our school.

We call on them to attend our evacuation rehearsals each term and talk to the children about their role and how they would assist us in case of an emergency. This is a valuable experience for our children, especially our Preps and those children who may be anxious or unsure about what they do and why they attend.

They help with car parking for our Drive-in each year and regularly attend our school site for their own testing and fire drills.

The upcoming Kangaroo Ground CFA Community Day should be a great community event. If you are able to attend it would be greatly appreciated by this wonderful and extremely important local service. We have included a flyer with today's newsletter.

### MOVIE NIGHT SPONSORS

Please take note of the wonderful local businesses that have donated towards our Silent Auction and Movie night. If you use any of these businesses, it would be appreciated if you could thank them for their support of our school.

Thanks again

Laurie Murray
