POLICY

1. School profile

Kangaroo Ground Primary School is on the north-eastern fringe of the metropolitan area in a semi-rural environment where it has provided a continuous service to the community since 1853. Students at Kangaroo Ground Primary School come from a variety of social, economic and religious backgrounds. Many students live in the immediate vicinity, residing on larger allotments of 8 to 15 hectares. Many people are professionals working in Melbourne or Eltham, with a number of holdings including hobby farms. Our extensive grounds have many interesting areas for creative play and we also have formal courts and playing areas, including an oval, grassed areas and a covered synthetic turf hard court area. The school is organised into composite classes.

At Kangaroo Ground Primary School, we provide a safe, secure, stimulating learning environment where individual differences are valued and risk-taking, co-operation, effective communication and problem solving are promoted. It is a culture that fosters student confidence and encourages students, staff, parents and other members of the community to display a sense of pride in the school. We provide a broad and comprehensive curriculum which optimises student achievement and success by ensuring that each student is challenged, extended and motivated to reach his or her potential. The school and community function in a highly valued partnership and are actively involved in projects to sustain this culture. Parents are involved in many different aspects of school life such as classroom help, school camps and excursions, sporting activities, cooking classes, gardening activities and electives, through to School Council, its sub-committees and their related activities.

The dedicated and hard-working teaching staff are highly committed to providing a comprehensive, sequential and engaging curriculum. We recognise that individual students have different learning styles and develop at different rates. Our teaching programs help students to develop inquiring minds and critical thinking skills. Specialist programs include Art, PE, Science, Italian LOTE, Music, and instrumental music groups where students can learn keyboard, drums, guitar, flute, trumpet and recorder. A variety of extra-curricular programs are offered including chess, science club and electives for grades 4, 5 and 6 with a wide range of parent and teacher led activities. Children have the opportunity to be involved in gardening, cooking, cross country, swimming, interschool sport, sports days, and gymnastics and dancing in alternate years. Our extension programs are regularly evaluated and developed in response to students' needs and interests.

Kangaroo Ground Primary School sees community awareness, health and drug education and the development of self-concept as important aspects of the school curriculum. Programs that encourage and develop positive interpersonal relationships include the Resilience, Rights & Respectful Relationship, the Buddy Program, Family Life, Junior School Council, School Council and programs where members of the community share their skills such as the electives program, chess club and visiting guest speakers. The small-school environment allows students to mix freely with all age groups and provides opportunities to take on responsibilities and leadership roles in a caring and supportive environment.

2. School values, philosophy and vision

Kangaroo Ground Primary School's Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community. Students, staff and members of our school community are encouraged to live and demonstrate

our core values of Acceptance, Community, Curiosity, Respect, Resilience, and Excellence at every opportunity.

Our school's vision is to empower students to reach their personal best, and fully equip them to contribute positively to society as happy, healthy young adults.
